Call for Ambassadors

Q1: A summary of your previous and current activities as an influencer of a domain/discipline specific community *

A summary of your previous and current activities as an influencer or representative of a domain/discipline specific community with particular attention to data-focused activities/achievements in the Open Science context;
(max 200 words)*

Q2: A statement about how your expertise and work is aligned with the mission and goals of RDA *

A statement about how your expertise and work with data and the data community in your discipline is aligned with the mission and goals of RDA;
(max 150 words)*

Q3: A summary of your previous and current activities demonstrating involvement and contributions to RDA related activities *

A summary of your previous and current activities demonstrating involvement and contributions to RDA related activities, Working/Interest groups, development and/or promotion and/or adoption of RDA Recommendations and Outputs;
(max 200 words)

Q4: A statement detailing wider engagement *

A statement detailing wider engagement with other initiatives and/or national activities (and the RDA Europe national node, if applicable) belonging to the European Data Infrastructures landscape, including initiatives such as the European Open Science Cloud; the FAIR movement; and/or initiatives on defining and implementing the Open Science agenda at national and European levels.
(max 150 words)

Q5: A workplan of activities to be performed as part of the Ambassador role *

A workplan of activities to be performed as part of the Ambassador role detailing how this will impact not only the community practices but will also make a significant contribution in the context of RDA. As part of your workplan, please list at least 3 types of macro activities and related KPIs for impact assessment.

- For guidance, some examples could be:
- Outreach: presentations, lectures, papers for disciplinary audiences provided as RDA EU Ambassador etc.
 - Communication & dissemination: contributions to the RDA for disciplines webpages, articles, blogs etc.
 - Engagement: facilitating the creation of RDA discipline-specific groups for our community, engaging new RDA members in the existing RDA groups, contributions to group outputs etc.
 - Adoption: identifying and supporting adoption cases in your community, generating adoption stories etc.
 - Training: introduction to RDA session at events, webinars etc.
- (max 500 words)*

Q6: Upload Your Curriculum Vitae *

 No file chosen

Files must be less than 10 MB.

Allowed file types: txt rtf pdf doc docx odt ppt pptx odp.

Q7: Endorsements / Recommendations *

Please add two brief recommendations or endorsements, ideally one from an RDA community member and one from you domain / discipline community, together with their contact details.
If you prefer, you can list the contacts in the free text field and then upload their endorsements as distinct files.

Q7: Endorsements / Recommendations - upload

Please upload here your endorsements or recommendations as distinct files.
Their size must not exceed 10 MB.
